

**Art Books, wonderful gift for Ragusa SHWA
from “Banca Agricola Popolare di Ragusa”**

**All the book are in Italian
Most of them are full of wonderful pictures**

Title cm x cm x mm – pages (including cover pages) - mass

Rosso Malpelo - 24 × 30 × 15 – 211 - 1,2 kg

From the novel by the veristic writer Giovanni Verga Vita about the life, exploitation and death of the 'carusi' (young boys) in the Sicilian sulphur mines to Pasquale Scimeca's film

Le Città Iblee - 25 × 31 × 20 – 157 - 1,3 kg

From the Bourbons to the Unification of Italy.

On 11 May 1860 Garibaldi landed at Marsala. In Ragusa, on the evening of 16 May, a group of ardent Mazzinians shout Viva la libertà, viva l'Italia. This is the end of the county, the lists of those eligible are formed, from massari to notables. The structure of the Iblean participation in the Italian State was born.

La Storia Ritrovata - 24,5 × 29 × 24 -- 194 -1,55 kg

The Iblei between Gothic and Renaissance

A three-century-long history, from 1392, the year of Bernart Cabrera's takeover, to the disastrous earthquake of 1963 that gave rise to the identity of the Late Baroque architecture of the rebuilding.

Un Secolo di Fuoco 34 × 24,5 x 20 – 181- 1,42 kg

The catastrophic eruption of 1669 that erupted from the Red Mountains of the Volcano of Volcanoes, His Majesty Mount Etna, destroyed much of the city of Catania. From the ancient manuscript of Natale Di Pace, reproduced here, including magnificent drawings

L'Isola nell'Isola 25,5 × 33,5 × 15 - 94 - 1,14 kg

The province of Ragusa is located in the south east of Sicily. We can consider it as a kind of State within a State, a cornucopia of valuables in the treasure chest that is the largest island in the Mediterranean. A book with beautiful illustrations and a preface in English
